Dear Friends:

Many rumors and misinformation abound about the future of our parish and the Church of Pittsburgh. Enclosed in this mailing is a full report as to where we are in the process of discerning the future. Please read the materials carefully and prayerfully, and then respond by answering the enclosed questionnaire. Please respond on or before Friday, June 2, by dropping the survey at church or at the parish office, or by mail or e-mail at [smgsurvey4712@gmail.com](mailto:smgsurvey4712@gmail.com).

Thank you for your prompt attention to this matter.

Let us pray for each other as we seek to pass the faith on to the next generation.

Be at Peace!

Father Regis M. Farmer, D.Min.  
Pastor
